

Health Clubs + Fitness Expertise

Building Brand Solutions

Brands with multiple stores or locations rely on our National Accounts team to provide standardization in their expansion and re-model programs through tailored services and durable product solutions.

Our accounts are provided with a complementary range of resources led by experts whose mission is to ensure smooth program rollouts and consistency to achieve your goals. From dedicated account managers and support to pre-stocking programs and logistics coordination, our team will provide the right products for your locations, exactly when you need them.

National Account Services

A Palette of Product Solutions

Everything you need from one source. A diverse collection of durable and attractive product solutions for any aesthetic and performance requirement.

Direct Account + Project Managers

A dedicated, single point of contact who knows the ins and outs of your program will result in efficient project planning and execution for all of your team members.

Pre-stocking + Custom Pricing

Reduce product lead times and decrease prices with pre-established account pricing and dedicated inventory allocation.

Specification Assistance

Our product experts will provide custom document generation for supporting material requirements.

Tailored Invoicing Assistance

We work with your billing systems and procedures to ensure a seamless transaction.

Graphic + Design Staff

Our skilled designers can support you with consultations, art generation, customization, and processing tools.

Prototyping + Customization

Agile development and refinement to customize products to meet a brand's unique specifications.

Product + Engineering Tech Support

Our product experts and on-staff engineers are always ready to answer technical questions and find solutions to solve your building challenges.

On-Demand Installation Assistance

CS offers expert field technicians with extensive product knowledge as well as coordination of installation support programs.

Inspiring the Perspiring

Intense workout? No sweat. Construction Specialties (CS) products are up to the challenge. Our products are designed to protect gym walls, corners, doors, and floors from a myriad of traffic conditions.

For multi-unit clubs, our National Accounts team has the experience and resources required to serve the unique needs of health club facilities while upholding established brand standards, providing gym members with a consistent and positive experience across all locations.

Entrances + Front Desk

Set the tone for great guest experiences with a positive first impression in your health clubs. Our comprehensive solutions are designed to protect while coordinating with pre-established brand standards, including the option to order them with custom logos and graphics. Reduce maintenance costs and increase occupant safety with our durable, attractive, and easy-to-clean solutions made for high-traffic health and fitness environments.

Featured Products

- 01 Pedimat® Mat Systems
- 02 Acrovyn® Wall Coverings
- 03 Acrovyn Dimensional Moldings
- 04 PediTred® Grid Systems
- 05 DesignStep™ Mats
- 06 Helix® Mat Systems

View our full line of products at www.c-sgroup.com

Solution Highlights

The Industry Standard in Entrance Flooring

Pedimat offers maximum dirt and debris stopping performance in high-traffic entrances. Pedimat is easy to clean and roll back, making maintenance simple.

The Future of Entrance Flooring Starts Here

Helix interlocking modular tiles stop dirt and debris at the door. Its exceptional rolling load capacity and debris recess make it the perfect solution for entrances.

Workout Areas

When gym bags, elbows, and equipment come in contact with walls and corners on a regular basis, the surfaces are prone to wear. Our Acrovyn® products provide a long-term solution to preventing damage and offer a continuous design flow throughout the entire facility.

Featured Products

- 01 Acrovyn by Design® Wall Coverings
- 02 Acrovyn® Wall Coverings
- 03 Acrovyn Corner Guards

View our full line of products at www.c-sgroup.com

Solution Highlights

Impact-resistant + Versatile

Acrovyn by Design and Acrovyn Wall Coverings are the perfect solution to protect gym interiors subjected to daily abuse. Explore the exciting solid colors, woodgrains, patterns and brushed metals.

Protect High-traffic Walls + Corners

Integrating with the entire Acrovyn product line, our corner guards protect club walls and columns, eliminating the need to close off gym sections for repair.

Locker Rooms + Saunas

Transform your locker rooms and saunas into a comfortable oasis for gym members. CS products help brands create tranquil environments fit for relaxation after workouts. Our diverse collection of beautiful and functional solutions for locker rooms and saunas can integrate with any design aesthetic.

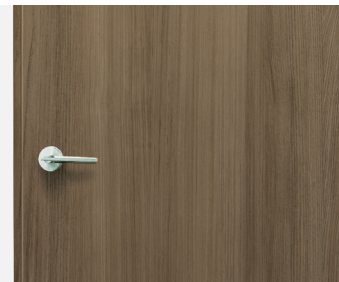

Featured Products

- 01 Acrovyn by Design® Wall Coverings
- 02 Acrovyn® Crash Rails
- 03 Acrovyn Doors by Design™
- 04 Shower Curtains
- 05 Acrovyn Wall Coverings
- 06 Acrovyn Corner Guards

View our full line of products at www.c-sgroup.com

Solution Highlights

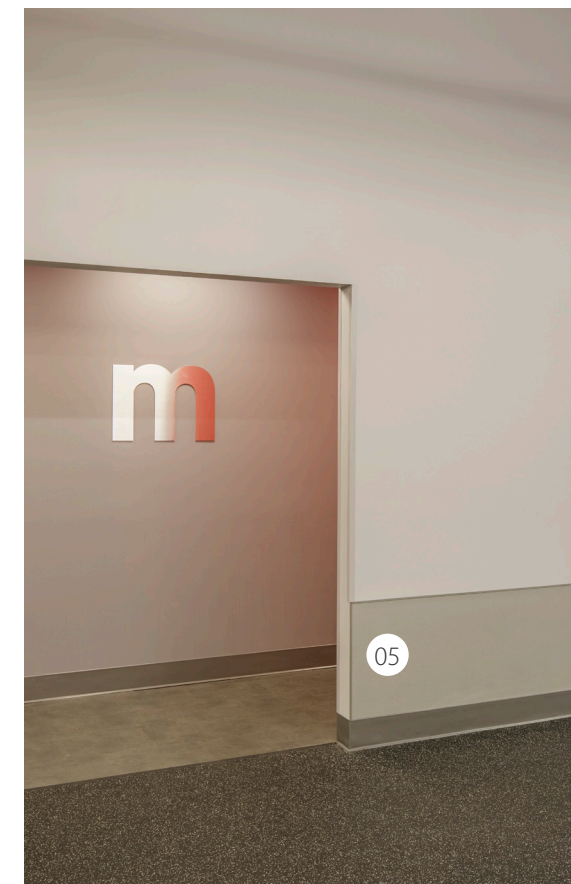

Redefining Durability with Acrovyn Doors

Designed to withstand daily traffic and wear without sacrificing aesthetics and design, Acrovyn Doors offer extra protection against constant impact while integrating with our wall protection collections.

Prevent Damage to Gym Walls

CS offers the most durable crash rails on the market today. Our Acrovyn Crash Rails provide a full range of protection, including simple accent rail designs to heavy-duty rubber bumper models.

Tanning + Massage

Create a rejuvenating environment for guests in your tanning and massage rooms. Our palette of product solutions provides fitness brands with the flexibility to design their ideal tanning and massage spaces. Let us help you pamper your guests with the resources to design a clean and inviting environment for self-care.

Featured Products

- 01 Acrovyn® Corner Guards
- 02 Acrovyn Wall Coverings
- 03 Acrovyn by Design® Wall Coverings

View our full line of products at www.c-sgroup.com

Solution Highlights

One-of-a-Kind Wall Protection

Incorporate branding, graphics, and wayfinding with an industry-leading wall covering system. Acrovyn by Design is UV-resistant and easy to clean, making it the perfect solution to enhance and protect tanning room walls.

Exteriors

CS exterior product solutions allow architects to defy traditional design conventions and achieve their vision without sacrificing performance. Our louvers, grilles, and sun controls are weather-resistant, easy to maintain, and easy to install.

Featured Products

- 01 Vision Barrier Screens
- 02 Airfoil Lux Sunshades
- 03 Linear Sunshades
- 04 Twisted Sunshades
- 05 Bold Line Louvers
