

## Acrovyn by Design® Metallics

Acrovyn by Design® Metallics from left: Coarse Weave, Hatch and Solid. Shown in color: Aegean.

The Acrovyn by Design® Metallics collection offers a unique way to add a high-end aesthetic to any interior space. The combination of color and pattern with metallic undertones, illuminates a space while keeping it protected.

Available in 3 exclusive patterns with 23 colorways per pattern, the Metallics collection offers an extra level of luxury, whether it is adding a subtle elegance or making a bold color statement.

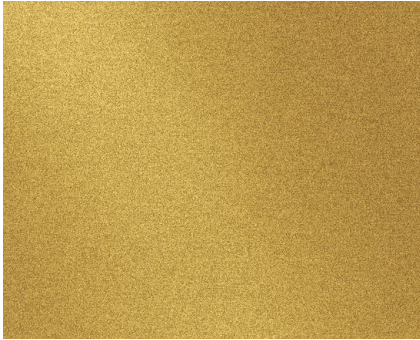

The material is supplied in 4' x 8' and 4' x 10' sheets in .040" thickness or can be specified for our wall panel products. The Metallics collection is designed to coordinate with Acrovyn® solid colors, woodgrains, Acrovyn by Design patterns, and aluminum trims. Plus, because they're now available with up to 50% post-consumer recycled content, they coordinate with the environment too.
