

## HRS & HRWS Series

Model HRWS-6C

This sleek single line round handrail combines the warmth of wood with stainless steel end caps and brackets for maximum aesthetics. The round handrail can be specified in a variety of standard and custom wood species and finishes, and is available in all stainless steel.

### Advantages

- Real wood offers a high end look for spaces requiring an elevated design
- Custom finishes available to help meet specific design needs
- Mix & match rails, end caps and brackets
- Factory finished wood handrail and endcaps available
- Low VOC water-based wood finishes

### Building Segments

- Education
- Healthcare
- Office & Mixed Use
- Retail & Hospitality
- Senior Living
