Wood Grain & Metal Patterns

CS' Wood Grain Powder Coat Finish is durable, with superior scratch and fade resistance. It offers the realistic look of wood without destruction of trees or the costly, time consuming maintenance required with real wood. In addition it will not deteriorate due to weather. It is an earth friendly product that can stand up to all types of weather conditions. Available in 11 standard wood grain patterns with textured finish. This offering is suitable for all CS Architectural Louvers, Architectural Screens and Sun Control Solutions.
