

Bumper Guard

Model BG-30

Acrovyn bumper guards and bed locators are designed to keep carts and beds away from walls and are perfect for chair rail applications where specific damage is recurring. The continuous aluminum retainer is mounted on bumper cushions for additional shock-absorption.

Advantages

- Shock absorbing; designed to take impact
- Light duty crash rail
- Extensive variety of profile and finish options including Acrovyn and real wood, provides a solution for any design need
- Cover snaps over a continuous aluminum retainer
- Custom finishes available on wood models
- Factory-finished wood available with low VOC water-based wood finishes

Building Segments

- Healthcare
- Senior Living
- Office & Mixed Use
- Retail
- Hospitality
- Aviation & Transportation

Applications

- Chair rails
- Office
- Conference rooms
- Reception areas
