

Privacy Curtains & Track

Care and Laundering

Privacy curtains: 100% polyester

For reference, each cubicle curtain comes with a care label attached. For care and laundering, please refer to the label on the curtain, or the instructions below.

1. Laundering

- Machine wash on short (3-5 minutes) cycle using high water level, one half load machine capacity, and lowest speed setting (synthetic). Soap or mild detergent in water not exceeding 160° F.
- Use short (3 minutes) rinse, not exceeding 160° F. **Do not extract.**
- Using spin cycle to remove excess rinse water.

2. Drying

- Tumble dry on lowest (synthetic) setting for 3-5 minutes.
- Remove from dryer while damp to avoid setting wrinkles.
- If needed, touch up lightly with iron, on lowest heat settings.

3. Dry Clean

- Standard solution recommended.
- **Do not** exceed 140° F in any process.
- **Do not** flat iron, mangle, extract or bleach.
