

## Acrovyn® Woodgrains

Create a distinctive aesthetic in any space with Acrovyn® woodgrains. Achieve the same beauty of wood without the costly, time-consuming maintenance required with natural wood. For an even more authentic look, microtextures are available to help elevate the realism within the design. Offered in a variety of woodgrain species and colors, Acrovyn Woodgrain Sheet is perfect for spaces looking for both design and function.

### Advantages

- Dozens of species and color options allow for coordination within any interior design scheme
- Microtextures help bring authenticity to pattern and overall design
- Offers the look of wood without sacrificing durability
- Coordinates beautifully with entire line of Acrovyn finishes
- Available as wall covering, panels, wall protection products, dimensional moldings, and Acrovyn Doors
- Available in multiple thicknesses
- Radius, custom forming, and cut-to-size available

### Applications

- High-traffic and high-impact areas
- Corridors
- Classrooms
- Patient/resident rooms
- Conference rooms
- Reception areas
- Lobbies
- Columns

### Building Segments

- Healthcare
- Senior Living
- Hospitality
- Education
- Office & Mixed Use
- Retail
- Aviation & Transportation
- Sports & Entertainment
