

Platform Series – Wood

Model P-OMW

This series combines either an Acrovyn®, aluminum, factory-finished wood, or stainless-steel handrail with a real wood crash rail. The real wood crash rails offer a more traditional high-end look, for spaces looking for an elevated design.

Advantages

- Creates an open look that allows light to go through
- Shallow texture on Acrovyn allows for easy cleaning
- Wide range of high-end aesthetic options, and custom capabilities to meet any design need
- Dual cantilevered stainless-steel mounting brackets
- Low VOC water-based wood finishes
- Replacement components available

Applications

- Hallways/corridors
- Ramps
- Lobbies
- Offices

Building Segments

- Aviation & Transportation
- Healthcare
- Office & Mixed Use
- Retail & Hospitality
- Senior Living
- Sports & Entertainment
