

DGTP Series

Model DGTP

This flush, dual gasket floor cover is designed for interior applications where larger movement is required and hygiene is important. With a deep extruded aluminium base frame, the soft centre section of the gasket allows for full movement and the exposed metal centre plate can accept light wheeled equipment.

Advantages

- Flush, concealed cover
- Hygienic
- Quiet
- Light or heavy wheeled equipment models available
- Self-centreing centre plate
- Dual gasket allows for larger movement requirements
- Vapour & Fire Barrier optional
