Snap Lock Curtain System

Snap Lock Curtain is a modular cubicle curtain system that allows you to remove the fabric portion of the curtain for regular washings and simplifies inventory management.

Advantages

- Fabric is opaque, washable, flame retardant & closely woven

- Antimicrobial treatment options available

- Color-coordinated nylon mesh available

- Double-needle interlock tailoring ensures durability and a long lifecycle

- Quick removal helps increase laundering and reduce the risk of HAIs

- Saves money by eliminating need to purchase custom or different size curtains

- Snap system allows for curtains to be safely and easily changed without the use of a ladder

- Modular system allows for curtains to be interchangeable through facility

Applications

- Patient rooms
- Emergency rooms
- Isolation areas
- Clinical areas

Building Segments

- Healthcare
- Senior Living
