

Helix[®]

Model Z2

Helix is a modular tile system that effectively traps dirt and debris at the door. Tiles snap together and can be surface or recess mounted to provide exceptional protection to the rest of your interior. Slip-resistant and durable, Helix is available with or without carpet inserts.

Advantages

- Economical
- Textured surface for scraping shoes
- Open cells effectively trap dirt and debris
- Recessed and surface mounted options
- Optional carpet inserts
- Tiles stay in place with hidden connectors

Applications

- Lobby entrances

Building Segments

- Aviation & Transportation
- Education
- Healthcare
- Office & Mixed Use
- Retail & Hospitality
- Senior Living
- Sports & Entertainment
