

Elevator Frame Guard

Resilient Acrovyn® elevator frame guard provides a cost-effective way to protect elevator frames in high-traffic areas.

Advantages

- Two models available to meet various needs
- Reduces the need for constant repair, which takes time and can be costly, extending the life cycle of the door
- Extensive color and finish options help coordinate with your interior design scheme

Applications

- High-traffic interiors where elevator areas see a lot of wear and tear, including back of house, lobbies, and receiving areas

Building Segments

- Healthcare
- Senior Living
- Education
- Hospitality
- Retail
- Sports & Entertainment
- Aviation & Transportation

Elevator Frame Guard
