Vision Barrier Screens

From rooftops and equipment enclosures to parking garages—nothing transforms a facade better than adding the textures, shapes, and colors of architectural screens. They offer the practical solution of a decorative facade while allowing air and light to pass through, taking your space from eyesore to landmark. For our most personalized options, Facades by Design™ allows graphics, photography, branding, signage and more to be printed on select screen models.

Model VAC-308

Advantages

- Provides up to 100% sight cutoff
- Hidden supports and frames
- Varying height, width, and blade spacing provide unlimited options for optimal sight cutoff
- Easy to install
- Blades ship in long lengths to minimize joints
- Fully engineered
- Facades by Design graphics, photography, branding and signage can be printed on select screen models.

Applications

- Parking garages
- Mechanical screening
- Horizontal or vertical accent walls
- Rooftop equipment enclosures
