Installation Options

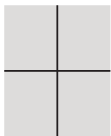

Sure Snap®

- Designed for panels needing occasional removal while having strong pullout load
- Minimal clearance needed due to straight-in & straight-out interlocking mechanism

French Cleat

- Designed for panels with limited clearance & for quick removal
- Grooved rail increases connection strength to reduce pull-off risk

Direct Apply

- Designed for permanent placement & where minimal clearance is needed
- Fast & simple installation with common industry methodology

Certifications/Testing

- Tested in accordance with ASTM E-84 for Class A/V1
- Low VOC Emissions Certificate – Intertek Clean Air Gold (CDPH 01350 v1.2)

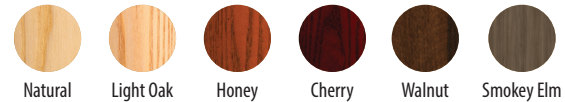

Warranty

- Acrovyn Limited Lifetime Warranty
