### SGW Series

Model SGW

This flush, dual-gasket wall cover is ideal for interior applications with larger movement requirements. The gaskets lock into aluminum retainers, preventing hairline gaps and ensuring a hygienic seal. The cover plate can be painted to match surrounding finishes.

#### **Advantages**

- Low maintenance
- Hygienic
- Accommodates larger movement requirements
- Corresponding ceiling covers for seamless sightline
- Strong ladder frame style center section for durability
- Paint cover plate to match surrounding finishes
- Can be mounted to a variety of substrates
