

## FYW Series

Model FYW

This recessed metal floor cover is designed for interior applications where low maintenance or tamper-resistance is desired. This cover has a standard 1/8" recess or a deep 1/4" recess to allow for various carpeting. The center plate is attached to a hinge-style frame on one side, which spans the joint and slides between frame assemblies to allow movement when required.

### Advantages

- Minimal sightline
- Low maintenance
- Tamper-resistant
