

Acrovyn[®] Doors for C-Stores

Enjoy long-term facilities cost savings with Acrovyn Doors.

Our Acrovyn Door is made with a sturdy inner core, clad in durable Acrovyn[®], and features rounded, field-replaceable stiles and edges for the ultimate in protection against heavy abuse.

Why Choose Acrovyn Doors?

Design consistency made easy.

The complete line of Acrovyn wall and door protection systems are designed to visually integrate with one another through cohesive finish and design options.

Doors that are built to last.

Acrovyn Doors are impact-resistant and feature field replaceable edges and primary stiles, saving your stores from continuous door replacement and repair costs.

A warranty that has your doors covered.

Most door damage requiring replacement occurs at the edges. Only Acrovyn Doors will warranty the Acrovyn edge against damage for the lifetime of the door.

Cleanability that simplifies maintenance.

Acrovyn is easy to clean and maintain with simple, non-abrasive cleaners.

Applications

- Restrooms
- Offices
- Kitchens
- Breakrooms
- Stock Rooms
- Janitorial/HVAC Closets

Acrovyn® Doors for C-Stores

Cheap doors aren't so cheap.

Here is the real cost to buy and maintain 500 doors over a ten year period. Each door type has its own pros and cons, and costs add up over time. While doors with lower initial investment costs may appear as the more attractive solution, it's crucial to consider how much it will cost to maintain your purchase over a long period of time.

TRUE total cost over 10 years				
	Wood Veneer	P-Lam	Hollow Metal	Acrovyn Doors
Initial investment cost	\$150,000	\$162,500	\$175,000	\$371,500
Operating costs	\$165,618	\$135,330	\$178,380	\$0
Maintenance & service costs	\$180,060	\$114,009	\$307,609	\$0
Totals	\$495,678	\$411,839	\$660,989	\$371,500
