

## Dimensional Moldings – Feature Rails

Dimensional Moldings provide a perfect opportunity to create a high-end paneled look without the need for panels. Our Feature Rails are available in designer styles including Traditional, Transitional and Contemporary. This system coordinates beautifully with all Acrovyn Sheet finishes and Dimensional Molding Components for endless options from classic to modern.

### Advantages

- Available in standard Acrovyn finishes, which includes; solid colors, woodgrains, and brushed metals
- Can be used for wainscot, horizontal or vertical applications
- Miter easily to frame windows, door frames, and corners or to use as design features
- Customizable to meet specific design needs
- Low-maintenance solution for a high-end appearance
- Coordinates well with other Acrovyn wall and door products
- Pre-engineered decorative trims to enhance your wall protection systems

### Applications

- Hallways/corridors
- Reception areas
- Cafeteria/dining spaces
- Common areas
- Lobbies

### Building Segments

- Healthcare
- Health & Wellness
- Hospitality
- Education
- Civic & Culture
- Corporate & Commercial
