

## AFW-X Series

Model AFW-X

This flush mounted facade cover system is designed for exterior applications where low maintenance or tamper-resistance is desired. The free-floating aluminum center plate spans the joint and slides between frame assemblies to allow required movement. This cover system can be painted to match surrounding finishes.

---

### Advantages

- Low maintenance
- No exposed fasteners
- Paint to match surrounding finishes
- Installs in a variety of wall construction
- Vapor Barrier included
