

## ALHD Series

Model ALHD

This recessed metal floor cover is designed for interior and exterior applications where low maintenance or tamper-resistance is desired. The free-floating aluminum center plate spans the joint and slides between the frame assemblies to allow movement when required.

### Advantages

- Heavy-duty loading up to 2,000 lbs.
- Ideal for high-traffic areas
- Low maintenance
- Tamper-resistant
- Suitable for most floor finishes
- Optional stainless or bronze cover plate
