## ACROVYN BY DESIGN®

Designers and architects are no longer hitting a brick wall when it comes to stylish interior design that lasts. Acrovyn by Design can be used to transform spaces with customized logos, imagery and more. And, because it serves as a protective shield, the design and the walls will remain beautiful for years to come. **Explore the following pages to see inspiring examples of what's possible.**

**Project:** California Pacific Medical Center – San Francisco, CA  
**Architect:** Smith-Karng Architecture  
**Product:** Acrovyn by Design

“Acrovyn by Design is a product that delivers both ease of installation and amazing results that resist damages for years to come.”

— PAUL ELISCHER  
*Elischer Construction*

**Project:** Lehigh Valley Health Network – Allentown, PA  
**Architect:** Bernardon  
MKSD Architects  
**Product:** Acrovyn by Design

“Acrovyn by Design was the perfect solution... that will last forever and limit ongoing maintenance.”

— BOB KAPLAN  
*Lehigh Valley Health Network*

“This product removed the boundaries and gave life to the public areas.”

— SYLVIA HAJO  
IBI Group

# Motivating students with Acrovyn by Design® inspirational imagery in a 248,000 square-foot facility.

Pasadena Independent School District's **Dr. Kirk Lewis Career & Technical High School** requested the help of IBI Group to add design interest to its interior walls. The design team used Acrovyn by Design to brighten the school's corridors with bright, bold and innovative graphics, which immediately became a popular backdrop for student selfies and the school's social media posts.

IBI Group Inc.

**Products:**

Acrovyn by Design, Chameleon™ Wall Covering and Acrovyn® Wall Guards

“In addition to creating uniquely welcoming spaces, Acrovyn by Design® keeps our walls and corridors protected.”

— KUSRIN DHAMAWONGSE  
*Ballinger*

# Acrovyn by Design® welcomes patients, visitors and staff at Golisano Children's Hospital.

The **Golisano Children's Hospital** collaborated with Ballinger and ArtHouse Design to create an engaging space for young patients and visitors with a range of fun, whimsical designs. Each of the hospital's eight floors has a unique theme using Acrovyn by Design. This customizable product provides visual freedom, which the team desired in order to offer an enriching, comfortable patient experience as well as useful wayfinding throughout the hospital. To learn more about this project, visit <http://csinc.bz/golisano>.

Acrovyn by Design and  
Acrovyn® Wall Guards

“Our newly remodeled corridor gives pediatric patients and families an interesting journey.”

— TOM ROUNTON  
*Riley Hospital for Children*

# In the art of healing, Acrovyn by Design® is the palette.

**Riley Hospital for Children** is a place of hope and healing for young patients and their families. The hospital sought the help of artist Walter Knabe and designer Barbara Eden to transform an old and heavily traveled passageway into a soothing place that would warmly welcome patients, visitors and staff. When moving between two busy areas of the hospital, adults and children alike can now enjoy the captivating murals created with Acrovyn by Design. Because of the durable and easily cleanable surface, the walls will continue to be fresh and vibrant with minimal upkeep. To learn more about this project, visit <http://csinc.bz/riley-hospital>.

“With Acrovyn by Design’s customization capabilities, we were able to bring our design visions to life.”

— MICHAEL RAINEY  
*DesignShop*

# Acrovyn by Design®—taking wall protection into the thermosphere.

**Kennedy Space Center** worked with DesignShop to update and stylize its 3D IMAX Theater lobby and concession area to reflect the largest artificial body in orbit—the International Space Station. Durable Acrovyn by Design was used on the corridor walls and lobby doors, showcasing realistic floor-to-ceiling graphics of astronauts floating through the Space Station to enhance the interior while also addressing the wall and door protection needs. To learn more about this project, <http://csinc.bz/kennedy-space-center>.

## HEALTHCARE

Top: Vibrant underwater images encourage relaxation for visitors to the Lehigh Valley Health Network.

Bottom: An engaging vista offers a welcome distraction for patients in a medical treatment room at WVU Medicine Berkeley Medical Center.

Right: Photography at California Pacific Medical Center immerses patients in a calming, tropical experience during procedures.

MAVIC

Control panel with various buttons and a small display screen.

CAUTION  
Warning label on the patient table.

Control panel with various buttons and a small display screen.

EDUCATION

Top: Animal illustrations come to life, creating a fun atmosphere for learning.

Bottom: Musical composition notes and composers line the walls of a band room.

Right: Uplifting imagery energizes students in a classroom.

## MIXED USE APPLICATIONS

Top: An airport corridor excites travelers with a large-scale mural of its city skyline.

Bottom: Custom, branded colors flow through an ATM station.

Right: A woodgrain pattern glides from floor to ceiling, complementing a metallic image.

## FINDING THE RIGHT IMAGE

We recommend filtering image searches on sites, such as iStock and Shutterstock, by size and resolution to ensure the highest quality possible for your project.

Use CS' Image Requirements found on our website at [www.acrovynbydesign.com/imagerequirements](http://www.acrovynbydesign.com/imagerequirements) to guide you through your image selection.

## APPLICATIONS

Acrovyn by Design® finish options apply to more than just our wall coverings.

Large-scale murals, photography and our selection of patterns extend to our Acrovyn® Wall Panel System and our Acrovyn Doors by Design™ as well.

Visit our website to learn more about additional applications.

## MATERIAL SPECIFICATIONS

Acrovyn by Design is PVC-free and has been tested in accordance with ASTM E84 Class A/1 fire characteristics. It is supplied in .040" thick rigid sheets, available in sizes 4' x 8' or 4' x 10', which are installed using the same adhesive as Acrovyn. Minimal sheet spacing, caulk and trims allow for proper expansion and contraction of the material.

## HOW TO ORDER

To place an order, contact your local CS representative, visit [www.acrovynbydesign.com](http://www.acrovynbydesign.com) or call 800.233.8493.
