

Pedimat®

Model Pedimat M1

Keep floors clean and enhance entranceways with the industry-proven Pedimat entry mat system. Pedimat entrance matting is engineered for quiet performance, thanks to the combination of aluminum rails and hinge connectors, allowing them to be rolled up for easy cleaning and maintenance. These long-lasting entry mats can be recessed or surface mounted and are available in an exceptional array of finish options to match any décor.

Advantages

- Traps tracked in dirt and water
- Slip-resistant
- Enhances traction
- Long-lasting
- Rolls back for easy cleaning
- Recessed and surface mounted options
- Easily replace rails (Patent Pending)

Applications

- Vestibules
- Interior & exterior entries

Building Segments

- Aviation & Transportation
- Education
- Healthcare
- Office & Mixed Use
- Retail & Hospitality
- Senior Living
