

DesignStep™

Model DesignStep Duration

DesignStep is a heavy-duty entrance carpet option that won't roll or buckle. Designed to drastically reduce the amount of soil and moisture tracked into your building, this long-lasting carpet can be paired with other CS entrance flooring systems. Choose from two patterns and a variety of color options. DesignStep walk-off carpet systems are shipped in rolls, tiles, or vinyl edge mats. They can also be easily modified to fit the exact proportions of your entrance.

Advantages

- Economical
- Long-lasting
- Superior scraping and drying coverage
- Traps water and dries quickly
- Reduces maintenance costs

Applications

- Lobby entrances

Building Segments

- Aviation & Transportation
- Education
- Healthcare
- Office & Mixed Use
