

Traditional Privacy Curtains

Our Traditional Privacy Curtains are available in many patterns and colorways, offering a style for every type of room in any hospital.

Advantages

- Fabric is opaque, washable, flame retardant & closely woven
- Grommets at the top of the curtain are firmly anchored to triple thick hems
- Color-coordinated nylon mesh available
- Double-needle interlock tailoring ensures durability and a long lifecycle
- Mesh is completely bound with the same fabric as the body of the curtain, providing a more finished, aesthetically pleasing look

Applications
