

Bold Line Louvers

Transform a typical louver facade into a bold architectural statement. Bold Line Louvers provide both performance and creative design freedom. Customize between two different depth blades with unlimited colors, and even LED accessories.

Advantages

- Customizable blade depths, bold spacing, design and color allow for architectural freedom for a one-of-a-kind facade
- Multiple custom colors
- LED light accessories under bold blade to illuminate the facade
- Continuous line configurations available

Applications

- Uniquely accented or color enriched design
