

GTR Series

Model GTR

This flush, dual gasket floor cover is designed for interior applications with larger movement requirements and where a minimal sightline is preferred. The center plate has two recess options to accept various floor finishes. Lightweight equipment can glide easily across the hygienic seal.

Advantages

- Minimal sightline
- Hygienic
- Quiet
- Accommodates light wheeled equipment
- Self-centering center plate
- Dual gasket allows for larger movement requirements
- Optional stainless or bronze cover plate
