Hotel Expertise

Building Brand Solutions

Brands with multiple stores or locations rely on our National Accounts team to provide standardization in their expansion and re-model programs through tailored services and durable product solutions.

Our accounts are provided with a complementary range of resources led by experts whose mission is to ensure smooth program rollouts and consistency to achieve your goals. From dedicated account managers and support to pre-stocking programs and logistics coordination, our team will provide the right products for your locations, exactly when you need them.

National Account Services

A Palette of Product Solutions

Everything you need from one source. A diverse collection of durable and attractive product solutions for any aesthetic and performance requirement.

Direct Account + Project Managers

A dedicated, single point of contact who knows the ins and outs of your program will result in efficient project planning and execution for all of your team members.

Pre-stocking + Custom Pricing

Reduce product lead times and decrease prices with pre-established account pricing and dedicated inventory allocation.

Specification Assistance

Our product experts will provide custom document generation for supporting material requirements.

Tailored Invoicing Assistance

We work with your billing systems and procedures to ensure a seamless transaction.

Graphic + Design Staff

Our skilled designers can support you with consultations, art generation, customization, and processing tools.

Prototyping + Customization

Agile development and refinement to customize products to meet a brand's unique specifications.

Product + Engineering Tech Support

Our product experts and on-staff engineers are always ready to answer technical questions and find solutions to solve your building challenges.

On-Demand Installation Assistance

CS offers expert field technicians with extensive product knowledge as well as coordination of installation support programs.

Inspiring Hospitality

Whether it's a hotel's connectivity to the local community or the amenity offerings inside, a hotel brand's guest experience is strongly tied to the details of its design. Hoteliers, architects, and designers seek to create an authentic and localized ambiance centered around a brand's culture. To help achieve these goals, CS offers a range of interior and exterior product solutions that transform a hotel's brand vision into reality.

Entrances

Make the right first impression. CS entrance flooring, mats and grids are designed to complement your brand's aesthetic and extend the lifecycle of your main floors by keeping them clean, dry, and safe. Our systems work by scraping dirt and water off footwear and allowing debris to fall through a recess.

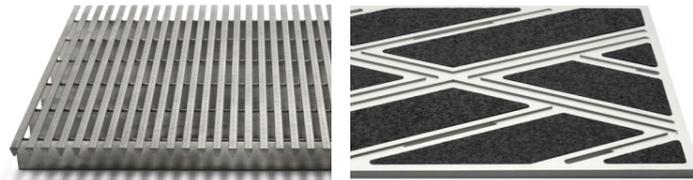

Featured Products

- 01 Floormations® Specialty Flooring
- 02 PediTred® Grid Systems
- 03 DesignStep™ Mat Systems
- 04 GridLine® Stainless Steel Grids

View our full line of products at www.c-sgroup.com

Solution Highlights

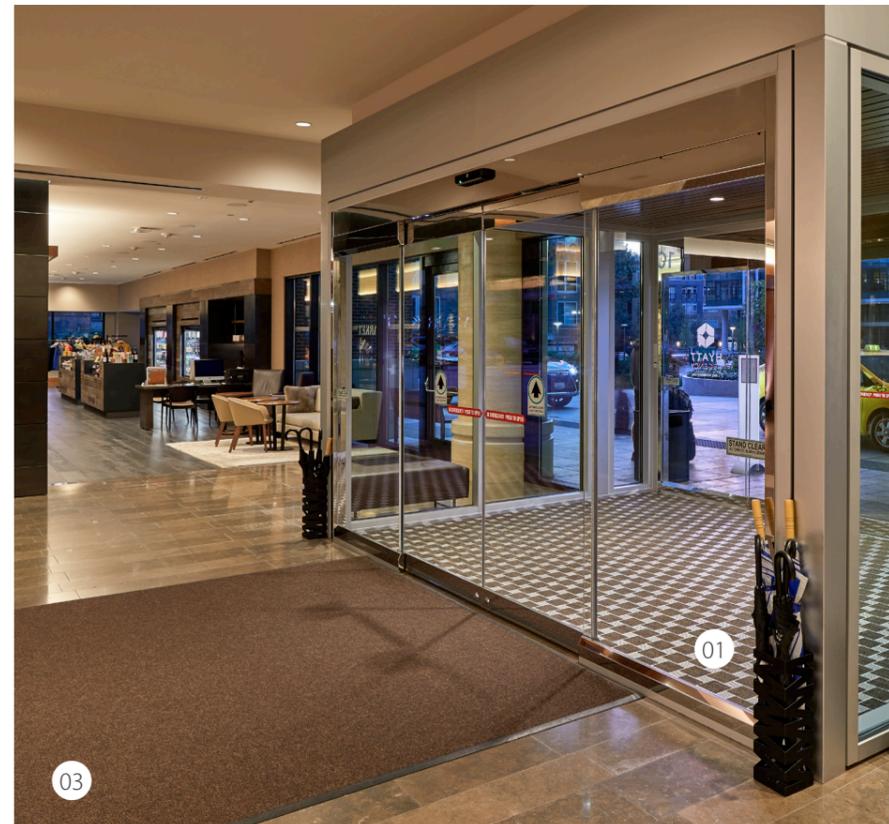

High-End Style
That's Virtually
Maintenance Free

Our heavy-duty GridLine stainless steel grid system is the most effective at removing debris and providing a permanent and integrated solution to trap tracked-in dirt and water.

The Future of
Entrance Flooring
Starts Here

Floormations was made by designers, for designers. The level of customization available in this entrance grid system will excite creatives and hotel owners alike.

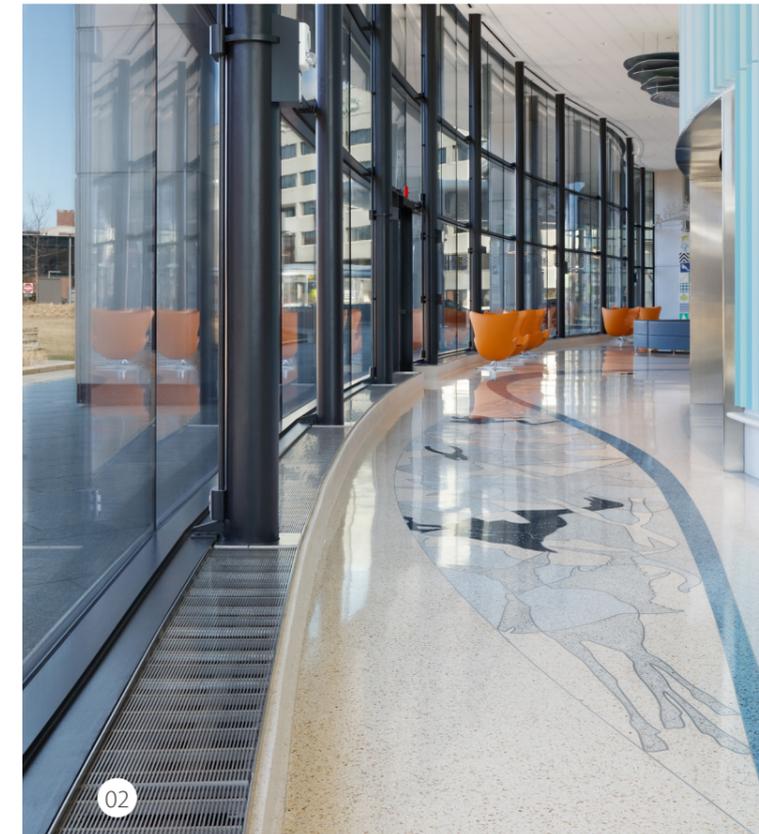

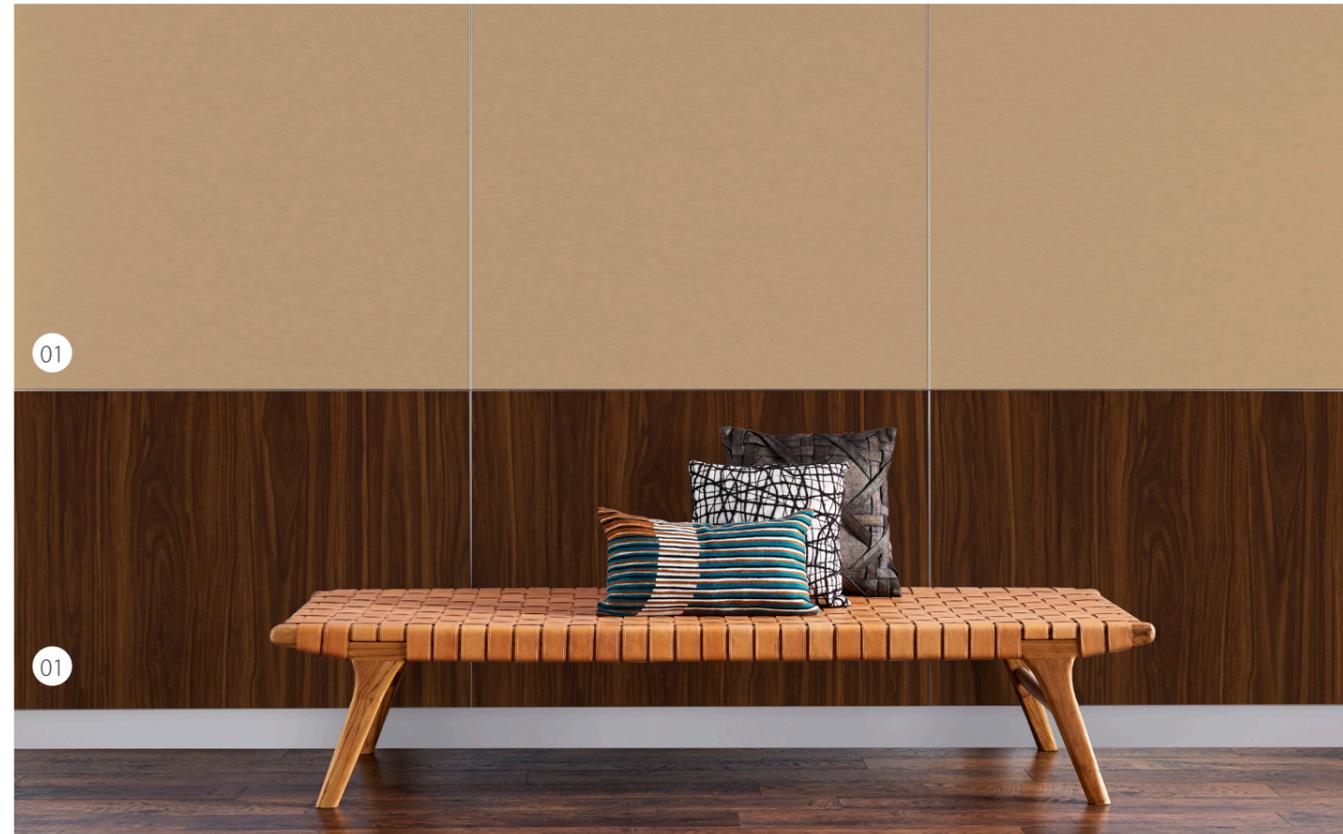

Lobbies

The lobby is the most recognizable and high-traffic area in any hotel. It brings guests together, acts as a hub for the hotel's offerings, and shapes the guest experience. We have the products you need to customize and enhance your environment and create an experience your guests won't find anywhere else.

Featured Products

- 01 Acrovyn® Wall Panels
- 02 GridLine®+ Architectural Accents
- 03 Acrovyn by Design® Wall Coverings

View our full line of products at www.c-sgroup.com

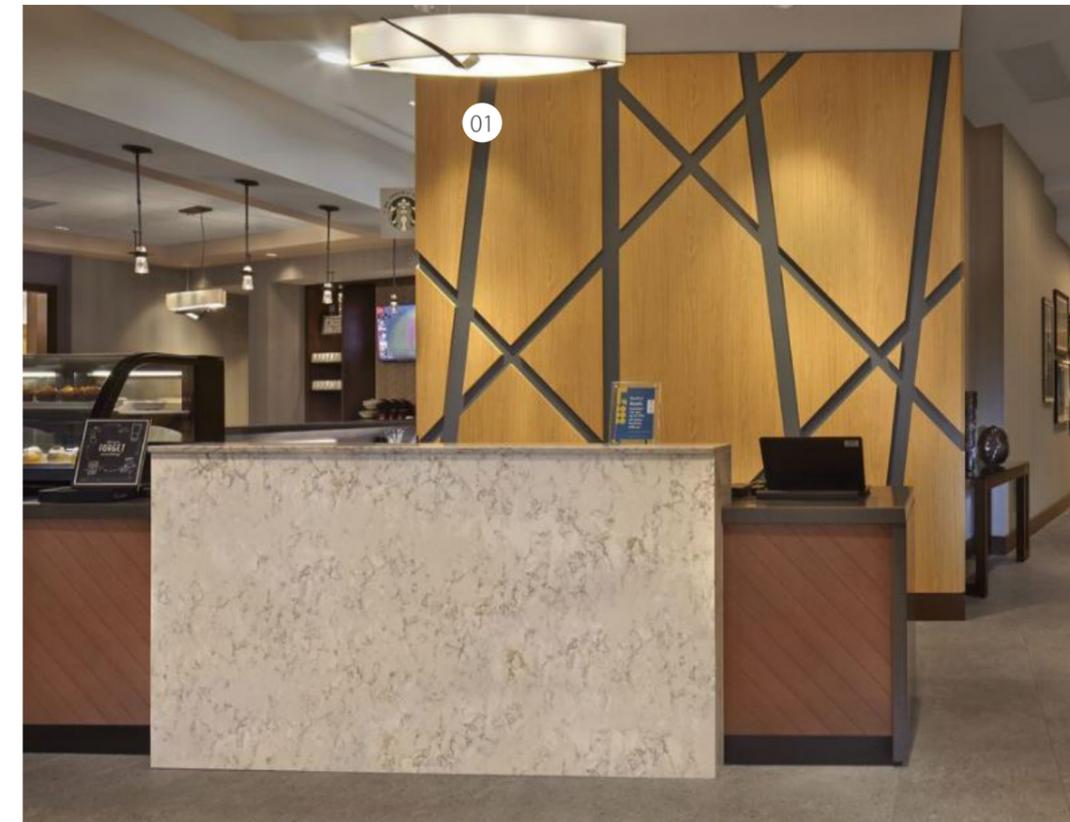

Solution Highlights

Dimension and Durability

Acrovyn Wall Panels are the answer to the industry's need for a custom, easily installed wall panel system. Acrovyn Wall Panels can be used in a variety of hotel spaces to meet protective and decorative needs.

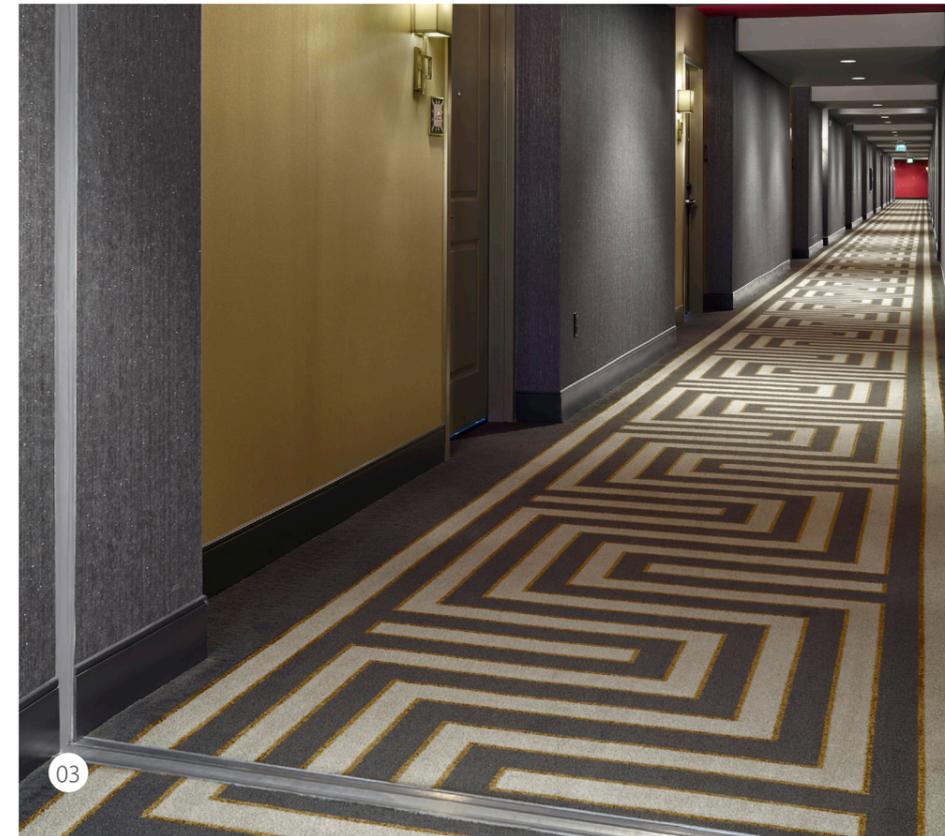

Corridors

CS products allow designers, brands, and owners to extend the design aesthetic into hallways and corridors while also protecting the environment from the damage of luggage, carts, and guests.

Featured Products

- 01 Acrovyn® Wall Systems
- 02 Acrovyn Doors + Acrovyn Doors by Design™
- 03 Expansion Joint Cover Systems
- 04 Acrovyn by Design® Wall Coverings
- 05 Acrovyn Corner Guards

View our full line of products at www.csgroup.com

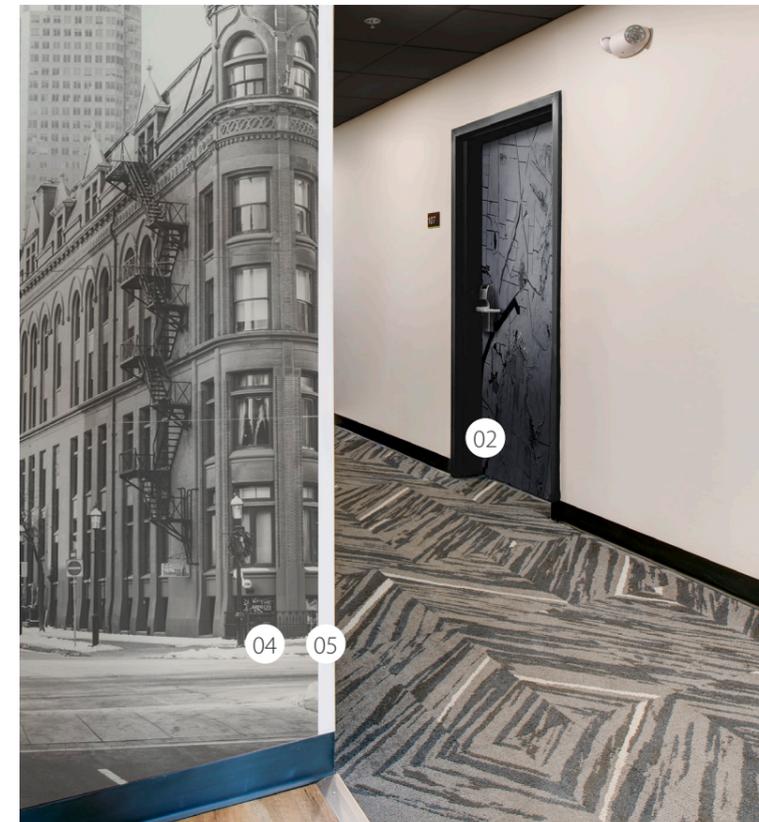

Solution Highlights

Designed with Hospitality in Mind

Designed to withstand daily traffic and wear without sacrificing aesthetics and design, Acrovyn Doors offer extra protection against constant impact while integrating with our wall protection collections.

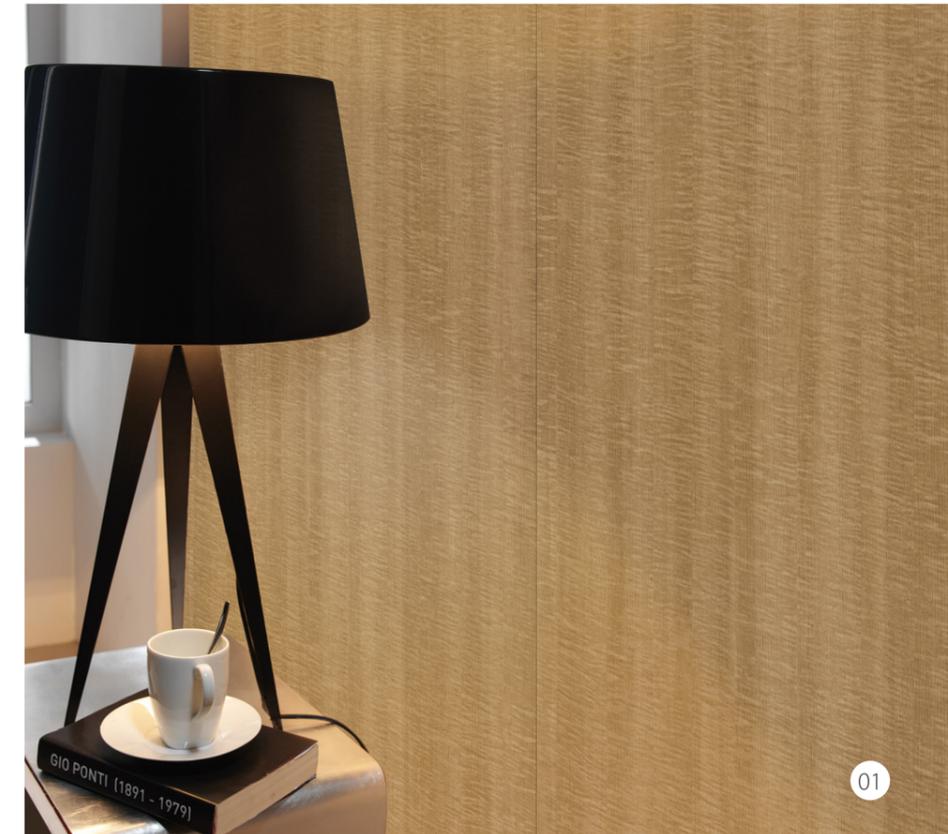

Guest Rooms

The guest room is often a "home away from home." Guests want unique and clean environments where they can feel comfortable and connected. CS products provide long-lasting protection from typical abuse while meeting the needs of the modern traveler.

Featured Products

- 01 Acrovyn by Design® Wall Coverings
- 02 Acrovyn® Dimensional Moldings
- 03 Acrovyn® Corner Guards

View our full line of products at www.csgroup.com

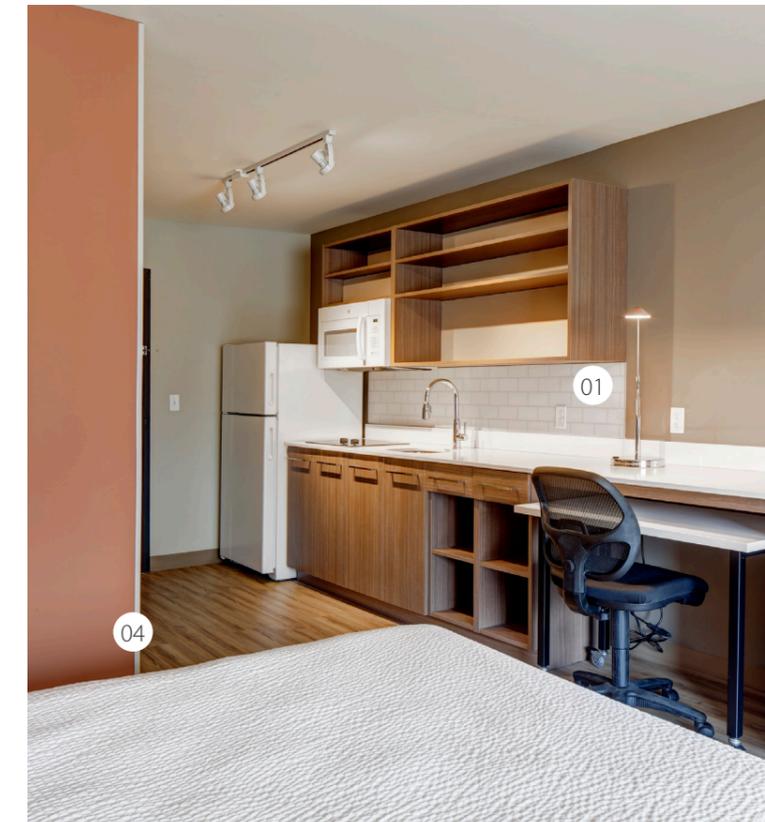

Solution Highlights

Protect Walls From Impact

Ideal for high-traffic areas, the Acrovyn® Dimensional Moldings are engineered to extend the lifecycle of your walls while creating a polished aesthetic.

Elevators

Luggage, storage carts, and constant traffic can destroy elevator interiors and lobbies. CS interior product solutions are stylish and easy to clean, helping to extend the life of your elevator lobbies and interiors.

Featured Products

- 01 Acrovyn® Crash Rails
- 02 Acrovyn Corner Guards
- 03 Acrovyn by Design® Wall Coverings
- 04 Acrovyn Wall Panels

Solution Highlight

Protect Your Most Abused Walls

Installed at appropriate heights to prevent damage, Acrovyn Crash Rails offer a full range of protection, including simple accent rail designs to heavy-duty rubber bumper models.

Solution Highlight

Establish a Sense of Place

Acrovyn by Design brings meeting rooms alive with cleanable, custom graphics that are unique to each hotel, allowing brands to create one-of-a-kind experiences for their guests.

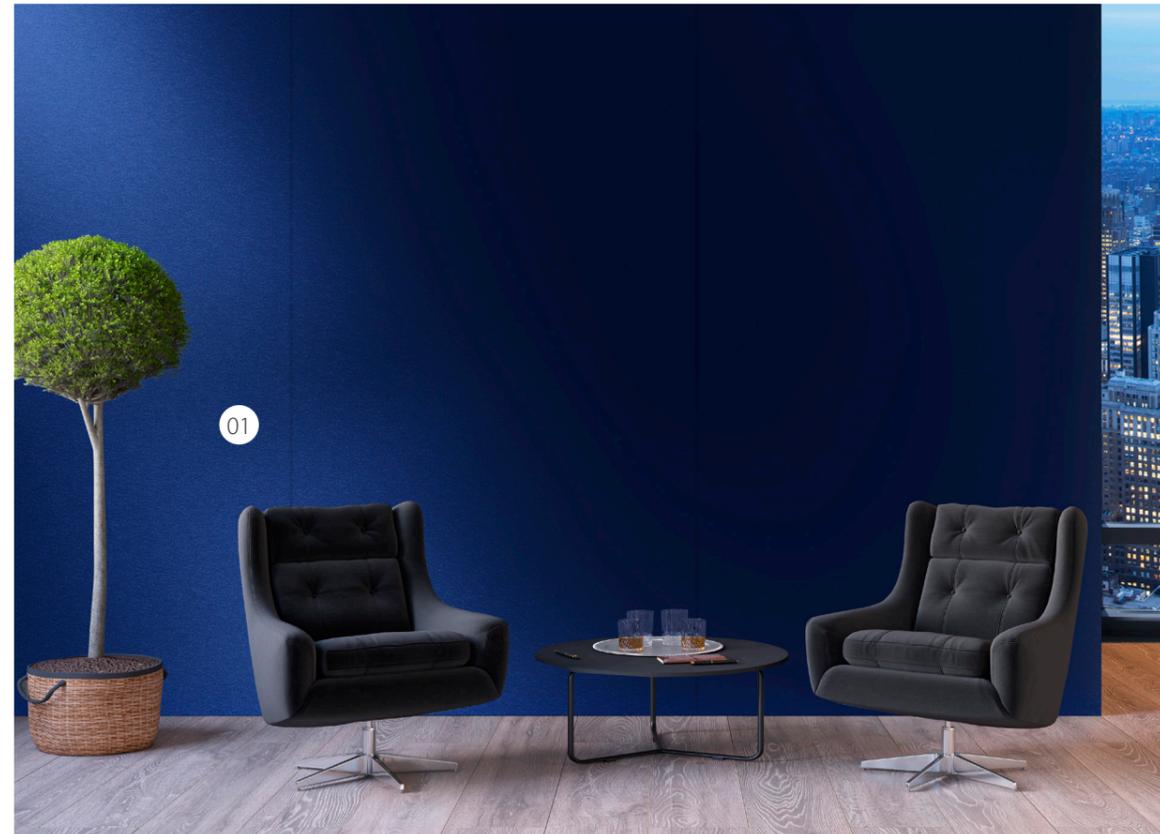

Restaurants + Bars

A hotel's dining atmosphere is as much a part of the experience as the food served. Whether you are designing for a grab-and-go breakfast counter or a luxury lounge, CS products will enhance the functionality and design of a space.

Featured Products

- 01 Acrovyn by Design® Metallics
- 02 Acrovyn by Design® Wall Coverings
- 03 Acrovyn® Wall Coverings
- 04 Acrovyn® Corner Guards

View our full line of products at www.csgroup.com

Solution Highlights

Elevate Your Guest Experience

Imagery is powerful. Acrovyn by Design combines your beautiful, custom graphics with our durable and sustainable Acrovyn Wall Covering.

Protect High-traffic Areas From Damage

Integrating with the entire Acrovyn product line, our corner guards protect hotel walls and columns, eliminating the need to close off spaces for repair.

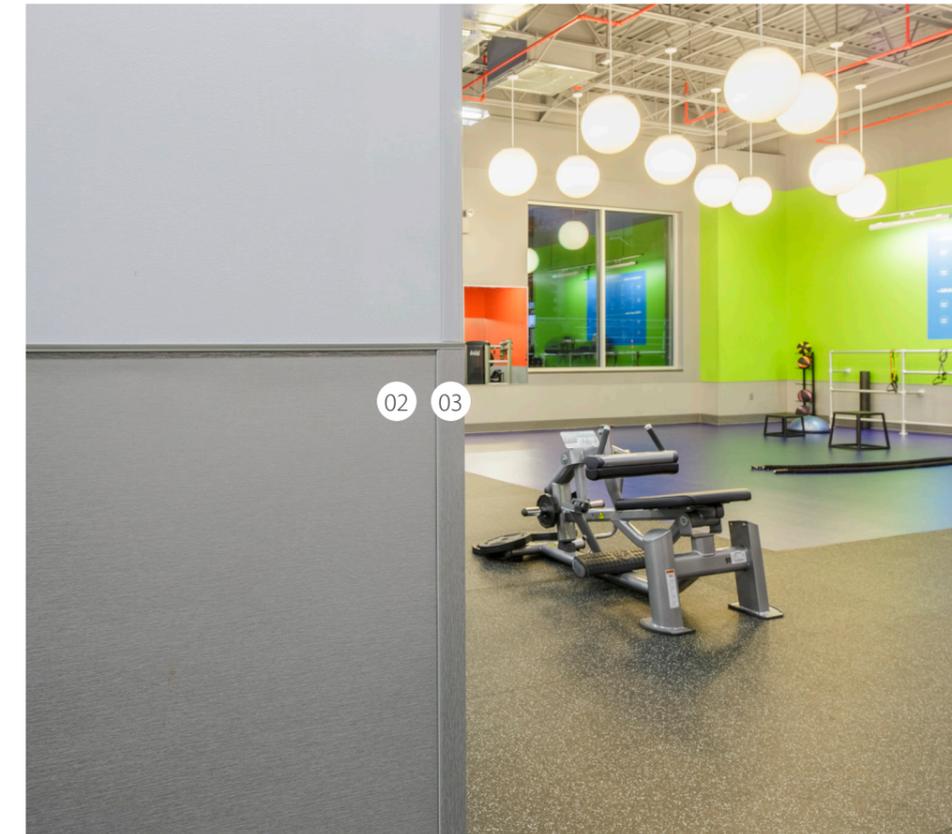

Wellness + Spas

CS products align with a hotel brand's desire to offer better wellness options for guests and help shape healthy, sustainable environments. Discover the durable and attractive solutions that preserve your in-house health clubs, group fitness rooms, salons, spas, and more.
