

Traditional Disposable Curtains

Disposable Cubicle Curtains are a great solution for areas of high infection such as critical care, isolation, and emergency areas within healthcare facilities. Traditional Disposable Curtains look like fabric curtains and offer a cost-effective solution for specific spaces within a facility. Choose from a variety of designs, including traditional solid colors, and our exclusive CSelect Disposable pattern options.

Advantages

- CSelect Disposable Curtains are designed to beautifully coordinate with their CSelect Fabric counterparts - offering benefits of disposable curtains without sacrificing design
- Cost-effective solution for areas needing constant curtain changeout
- Recyclable
- Antimicrobial treatment protects against bacteria and odors
- Save on laundering costs

Applications

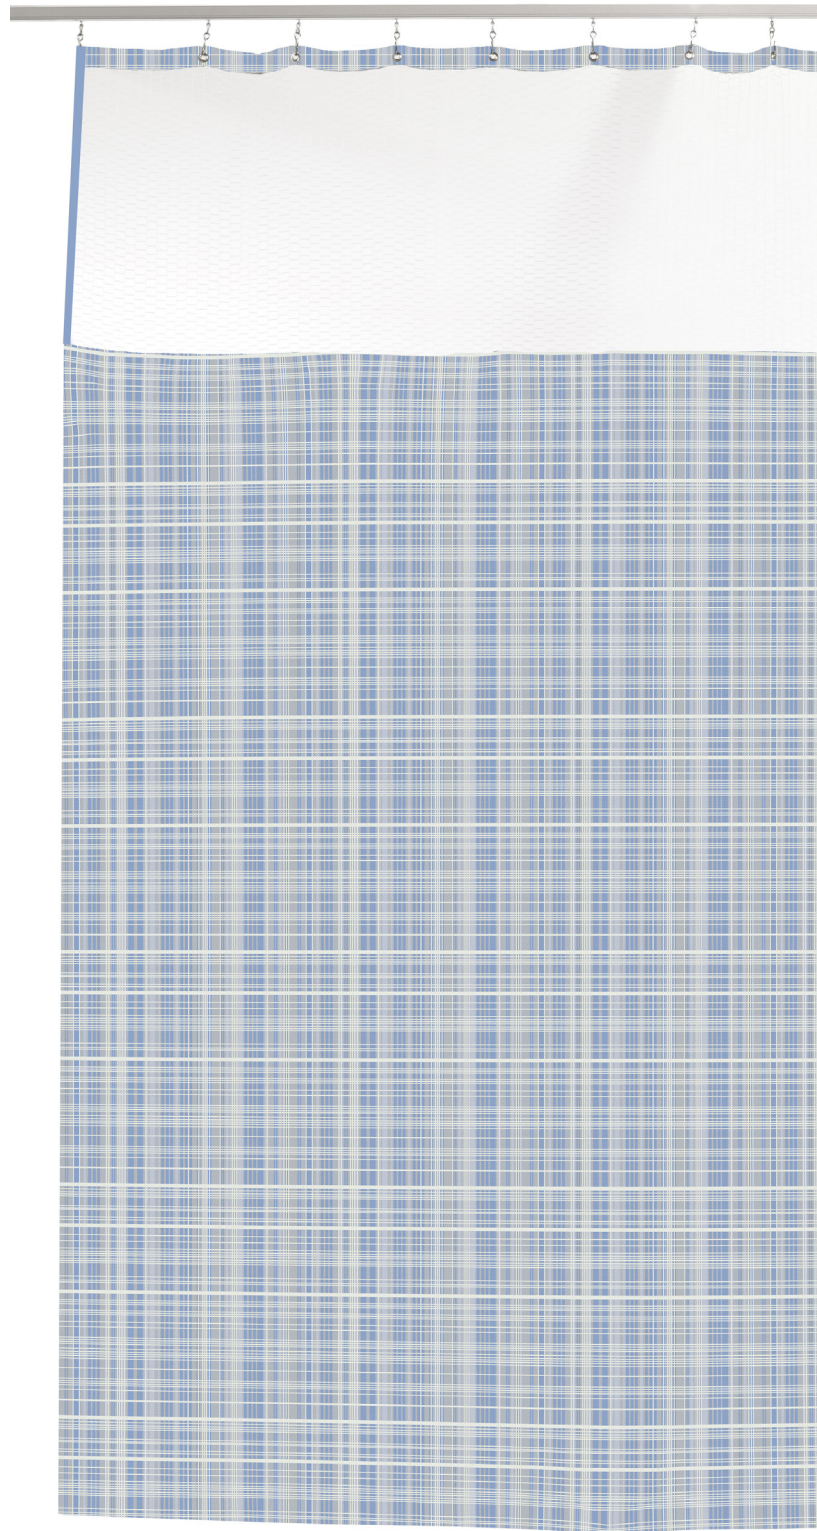

- Patient Rooms
- Emergency Rooms
- Isolation Areas
- Clinical Areas

Building Segments

- Healthcare
- Senior Living
- Education
