

SFW Series

Model SFW

This surface-mounted metal wall cover is designed to match select metal floor and ceiling covers and is ideal for interior applications where low maintenance is desired. The self-centering aluminum cover plate spans the joint and slides between retainer assemblies to allow movement when required. This cover can be painted to match surrounding finishes.

Advantages

- Low maintenance
- Paint to match surrounding finishes
- Mount on a variety of substrates
- Corresponding floor and ceiling covers available
