

| **Manufacturer's Warranty**

This warranty includes CS Cubicle Curtains + Tracks.

CS Cubicle Track is guaranteed against defects for one year after original ship date, provided it is installed correctly and according to CS installation instructions. CS shall not, under any circumstances, be liable for direct or consequential damages resulting from the installation of our products in any other way than the CS installation instructions.

CS Cubicle Curtains are guaranteed for one year after original ship date against manufacturer construction defects if material has been properly maintained in accordance to the CS supplied laundering instructions sewn onto each curtain.

Please also note that:

1. All cubicle curtains and track products are made to order and therefore are not returnable/refundable.
2. Polyester is the most ideal fabric for cubicle curtains. However, most forms of polyester (inclusive of Avora & Trivera polyester) will not tailor out 100% pucker-free at the seams or hems. This condition is an inherent quality of polyester. Please note that any puckering of fabrics may require touch up with a hand iron (hand iron not to exceed 275° maximum temperature).
