

## AW Series

Model AW-10C

Featuring a solid wood handrail and crash rail combination, this series offers a wide range of high-end aesthetic options and custom capabilities to meet any design need. Designed for patient safety, these are most suited for behavioral health facilities.

### Advantages

- Real wood offers an elevated design in spaces that require a high-end feel
- Custom finishes available to help meet specific design needs
- Factory finished wood handrail, crash rail and endcaps available with low VOC water-based wood finishes
- Acrovyn® Quick Lock™ mounting brackets which cuts down installation time by 50%
- Behavioral health models feature continuous aluminum bracket

### Building Segments

- Education
- Healthcare
- Retail & Hospitality
- Senior Living
