

Platform Series – Stainless Steel

Model P-RSS

This series combines either an Acrovyn®, aluminum, factory-finished wood, or stainless-steel handrail with a stainless steel crash rail. This rail offers a high-end, modern look, with extra protection when needed.

Advantages

- Creates an open look that allows light to go through
- Shallow texture on Acrovyn allows for easy cleaning
- Wide range of high-end aesthetic options and custom capabilities to meet any design need
- Shock-absorbing Acrovyn crash rail adds extra protection against impact
- Dual cantilevered stainless-steel mounting brackets
- Low VOC water-based wood finishes
- Replacement components available

Applications

- Hallways/corridors
- Ramps

Building Segments

- Aviation & Transportation
- Education
- Healthcare
- Office & Mixed Use
- Retail & Hospitality
- Senior Living
- Sports & Education
