

Astragals

Acrovyn® wrapped astragals block views between pairs of doors. Low profile "airfoil" design matches doors and can be used with any pair of Acrovyn Doors.

Advantages

- Made with the same durable Acrovyn sheet as the rest of the door
- Field-replaceable cover can be easily and quickly replaced on site if damage occurs
- Available in all standard Acrovyn finishes allowing for easy matching to the door
- Low profile "airfoil" designed to deflect hard impacts

Applications

- To be used as a sight seal wherever it is required or desired

Building Segments

- Healthcare
- Senior Living
- Education
- Hospitality
- Sports & Entertainment
- Aviation & Transportation

Product Details

- Can be through bolted or attached using standard fasteners
- Offers a concealed fastener design (unless through bolted)
- Acrovyn Door pairs do not require the use of astragals to maintain fire rating
- Lead-lined option available for use on lead-lined doors
