

Doorknob and Lever Protectors

Protect door hardware and walls from damage and constant, costly repairs. Select protection for round knob handles or lever-style handles, among other hardware options.

Advantages

- Available for left- & right-hand locksets
- Reduces the need for constant repair, which takes time & can be costly
- Available in all standard Acrovyn® solid colors to help coordinate with your interior design scheme

Applications

- Areas where interior doors are seeing constant wear and damage to the hardware, such as back of house, maintenance areas, etc.

Building Segments

- Healthcare
- Senior Living
- Education
- Hospitality
- Retail
- Sports & Entertainment
- Aviation & Transportation
