

Acrovyn by Design®

Acrovyn by Design® wall covering offers architects, interior designers, and owners the ability to create stunning interiors without the worry of damage. Large format custom graphics, photography, and messaging can be safely embedded behind durable Acrovyn® rigid sheet. Acrovyn by Design is also available in a wide variety of standard patterns and colour options for spaces needing more subtle accents or pops of colour.

Advantages

- PVC-free and features up to 50% post-consumer recycled content
- Unlimited visual freedom
- Stunning interiors without the worry of damage
- Reverse-printed behind clear Acrovyn, to keep the image protected
- Available in sheet, wall panels, and Acrovyn door protection
- Dozens of standard pattern options, as well as endless custom capabilities, to choose from to meet any design need
