

## CO Series

Stainless steel corner guards have superior protection for those high-impact traffic areas. Perfect for areas where a metal look is desired and aluminum isn't allowed.

---

### Advantages

- Durable stainless steel for long-lasting protection
- Rustproof
- Nonporous, easy to clean
- Beveled edges to hug corners, which allows for less catching hazard

---

### Applications

- High-abuse environments
- Corridors
- Back of house
- Commercial kitchens
- Loading docks
- Lobbies

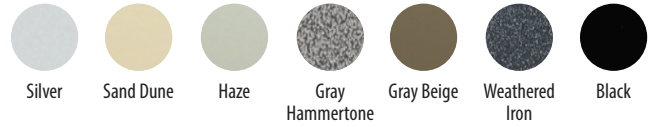

Model CO-8

# CO Series
