# STYX™

STYX evokes nature's elegance while remaining architecturally durable. Independently fastened metal extrusions go where you want them. Add dimension, continuity and a sense of visual movement. Using our Quick Lock™ system, installation is fast and seamless.

## Advantages

- Create your own look with standard parts and pieces
- Lightweight aluminum components
- Easily install via Quick Lock™ attachment system
- Optional front or back lighting
- Pre-made 90 degree or curved corners
- Indoor / outdoor transition capabilities
- 10-year Finish Warranty

## Building Segments

- Healthcare
- Retail & Hospitality
- Transportation
- Education
- Civic & Culture
- Corporate & Commercial
- Mixed Use
- Sports & Convention Centers

## Applications

- Walls & Ceilings
- Reception Areas
- Feature Spaces
- Common Areas
- Lobbies
- Vestibules
