

CS Wood Grain Powder Coat Finish

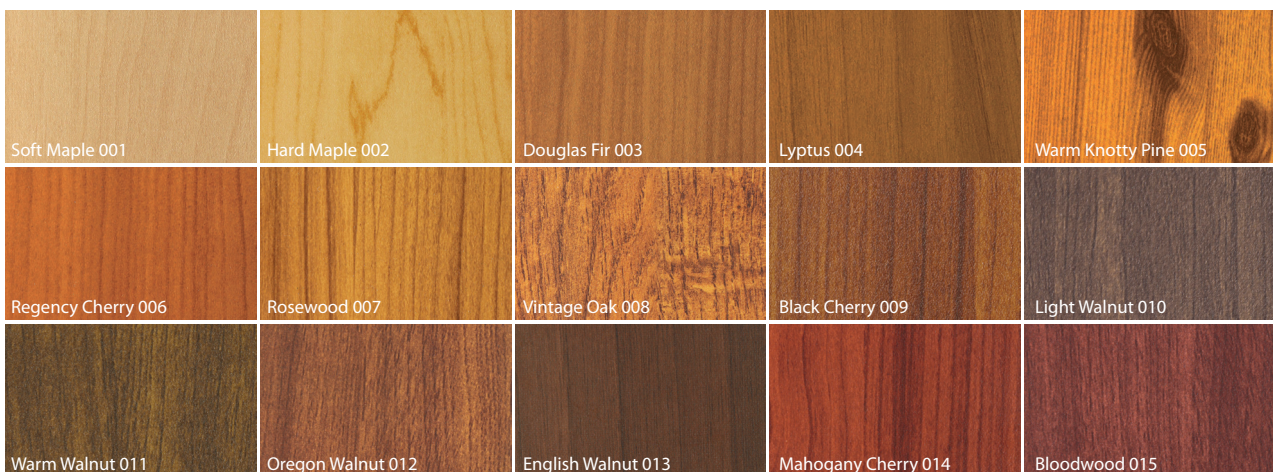

Functional beauty — beautiful function

Construction Specialties offers an exciting finish that can be used on most CS Louvers, Grilles and Sun Controls. Decorative and functional, CS Wood Grain Powder Coat Finish offers the warmth and beauty of wood without destruction of trees or the costly, time consuming maintenance required with natural wood.

This attractive finish is earth friendly and eliminates the harsh environmental effects that come with liquid coatings. Durable with superior scratch and fade resistance, this finish protects from humidity and UV rays and is fire resistant. Your project will look good for the long term and will stand up to all types of weather conditions.

- **Attractive and functional**
- **15 realistic wood patterns**
- **Smooth or textured finish**
- **Interior and exterior use**
- **Scratch and fade resistant**
- **AAMA**
- **10 year manufacturer's warranty**

Colors shown are as accurate as color printing processes permit. Final color selection should be from actual finished color chips. This super durable finish comes with a 10 year manufacturer's warranty.
