

## Platform Series – Acrovyn®

Model P-OAA

Platform handrails combine the excellent protection of a crash rail with the secure grip of a handrail. This series combines either an Acrovyn®, aluminum, factory-finished wood, or stainless-steel handrail with a shock-absorbing Acrovyn crash rail.

### Advantages

- Creates an open look that allows light to go through
- Shallow texture on Acrovyn allows for easy cleaning
- Wide range of high-end aesthetic options, and custom capabilities to meet any design need
- Shock-absorbing Acrovyn crash rail adds extra protection against impact
- Dual cantilevered stainless-steel mounting brackets
- Low VOC water-based wood finishes
- Replacement components available

### Building Segments

- Aviation & Transportation
- Healthcare
- Office & Mixed Use
- Retail & Hospitality
- Senior Living
